

2011 REPORT ON GIVING

Our Mission

F.F. Thompson Foundation, Inc., a not-for-profit organization, is committed to achieving philanthropic support for the services and priority needs of the system's affiliated tax-exempt corporations and to overseeing the management of restricted and unrestricted funds of the foundation.

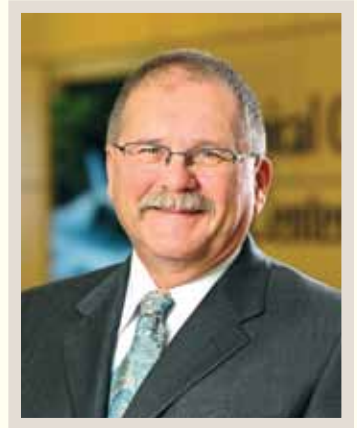

TURNING DREAMS INTO REALITY

"Building a Healthy Future." What seemed a dream just a few years ago has become a reality at Thompson Health.

We look back on 2011 with a great sense of pride and accomplishment. It was a year of significant growth and many exciting changes, including the grand opening of the Constellation Center for Health and Healing at F.F. Thompson Hospital. This milestone marked the completion of the first phase of *Project Excel*, our 103,000-square-foot expansion and renovation project.

All of us at Thompson Health are forever grateful to the individuals, groups and corporate partners recognized on the pages of this report. Together, these loyal friends continue to make milestones possible by supporting our capital campaign, annual fund, fundraising initiatives and vital programs.

At Thompson, we wished upon stars...we reached for them...and, thanks to all of you, our dreams have come true. On behalf of the entire health system, we extend our heartfelt appreciation for your generosity and steadfast support. It has helped Thompson to provide exemplary health care – and it has made our health system a truly *great* regional resource.

Constellation Center for Health and Healing

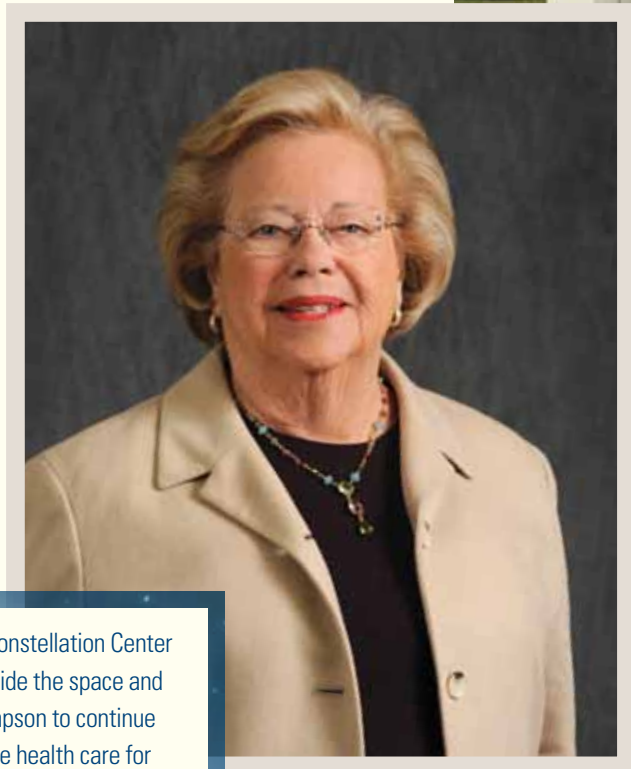

GENERATIONS OF GENEROSITY

The Sands family has a long legacy of generous support for Thompson Health, including the Sands Cancer Center, Intensive Care Unit, Ferris Hills and Clark Meadows, as well as numerous other important projects throughout our campus.

Their gift toward the new Constellation Center for Health and Healing at F.F. Thompson Hospital is a tremendous statement of support for our mission, our Associates and our community. At the end of 2011, we celebrated the grand opening of this state-of-the-art Center, featuring The Anthony and Laura Muchard Family Lobby and The Robert J. and Ruth E. Craugh Rehabilitation Services Center.

Designed to meet the changing health care needs of our community, Constellation Center's open spaces and walls of windows invite nature in to create a calming, healing environment.

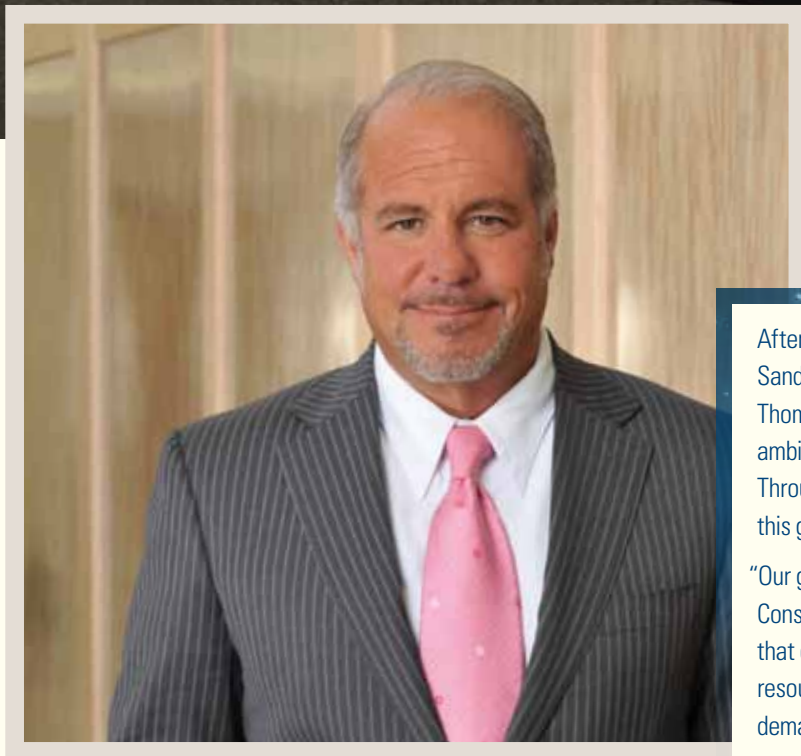

We are exceedingly grateful for the generosity of the Sands family. This, along with the support of other dedicated visionaries in our community, will carry Thompson Health well into the future.

When completed in 2012, our Constellation Center for Health and Healing will provide the space and modernization needed for Thompson to continue to deliver quality, compassionate health care for future generations. The Center includes a new Surgical Care Center with the latest technological advancements and The Wegman Family Nutritional Services Center. Renovations to the Medical Laboratory, Intensive Care Unit and The Fralick Cardiac Rehabilitation and Fitness Center will also be unveiled during the year.

*Marilyn Sands, Board of Directors,
F.F. Thompson Foundation, Inc.*

After receiving a generous lead gift from the Sands family and Constellation Brands early in 2010, Thompson Health was on its way toward our ambitious goal of \$14 million to help fund *Project Excel*. Through our *Building a Healthy Future* Capital Campaign, this goal was not only met, but exceeded.

"Our gifts represent the Sands family's and Constellation Brands' ongoing commitment to ensuring that our area's health service providers have the resources necessary to meet the growing needs and demands of our evolving community."

*Rob Sands, President/CEO, Constellation Brands, Inc.;
Treasurer, Board of Directors, Thompson Health*

The Anthony and Laura Muchard Family Lobby

AN ENTRANCE TO EXCELLENCE

Welcome to The Anthony and Laura Muchard Family Lobby, the gateway to all that the new Constellation Center for Health and Healing provides. Our new lobby offers patients and their families a host of benefits and amenities, including a volunteer ambassador who supplies information and directions, convenient access to outpatient rehabilitation services plus surgical care services, all in an aesthetically pleasing atmosphere. A sleek, contemporary staircase, the centerpiece of our lobby, leads patients to the second level that features a warm and inviting waiting area for our Surgical Care Center.

Sharing a Dream

"As members of the community since 1949, my late husband Anthony 'Tony' and I were patients at Thompson Hospital several times – and all of our experiences were positive. We always liked Thompson's personal atmosphere, as well as the one-on-one attention provided by the physicians and staff.

I support Thompson because of its long tradition of providing exceptional care and to help fulfill a dream of Tony's. He worked his way through Cornell University and wanted to become a doctor, but never had the opportunity to do so. When Tony was ill and cared for by Thompson, we talked about helping others who also shared the same dream of becoming a medical professional. When I heard about *Project Excel*, I thought that by doing my part to make it a reality, I would be helping Thompson staff members and patients alike. What better way to honor my husband's memory."

Laura Muchard

A Symbol of Progress

"We are extremely fortunate to live in such a beautiful area. Few places have small town warmth, charm *and* access to so many wonderful resources. Our family has always treasured Thompson Health, but it wasn't until Linda's 20+-year tenure as CEO did we fully understand its history, role in our community and the tremendous responsibility we all share for its vibrant future.

Our community is also growing at an amazing rate. As the health care needs of our diverse population become increasingly complex, Thompson Health continues to emerge as the leader in meeting – and exceeding – these needs. We, as a family, are honored to be a part of Thompson's legacy of caring."

The Farchione Family

(From left, standing) Tom Farchione; Linda M. Farchione, FACHE, President/CEO, Thompson Health; Jean and Patrick Farchione. (From left, sitting) Daniel and Amelia Farchione.

The Robert J. and Ruth E. Craugh Rehabilitation Services Center

A REMARKABLE LEGACY

The late Robert and Ruth Craugh always put their hearts and hands to work for others. Their commitment to our community was truly an example to be followed.

In 2001, Thompson Health recognized Bob and Ruth with the *Star of Distinction*, our highest award for "sustained and significant contributions to Thompson Health and our community."

Bob was a Master Sergeant in the United States Marine Corps and served in the South Pacific during WWII, as well as during the Korean War. He enjoyed a long and distinguished career at Canandaigua National Bank and Trust Co. and was elected president of the Canandaigua Kiwanis Club and Canandaigua Chamber of Commerce. Bob was also named "Mr. Canandaigua" by his friends, colleagues and neighbors and was active on the Boards of the Wood Library, the YMCA and St. Mary's School. As one of the original members of the Board for F.F. Thompson Foundation and F.F.T. Senior Communities, Inc., Bob served as Treasurer of F.F. Thompson Hospital for several years.

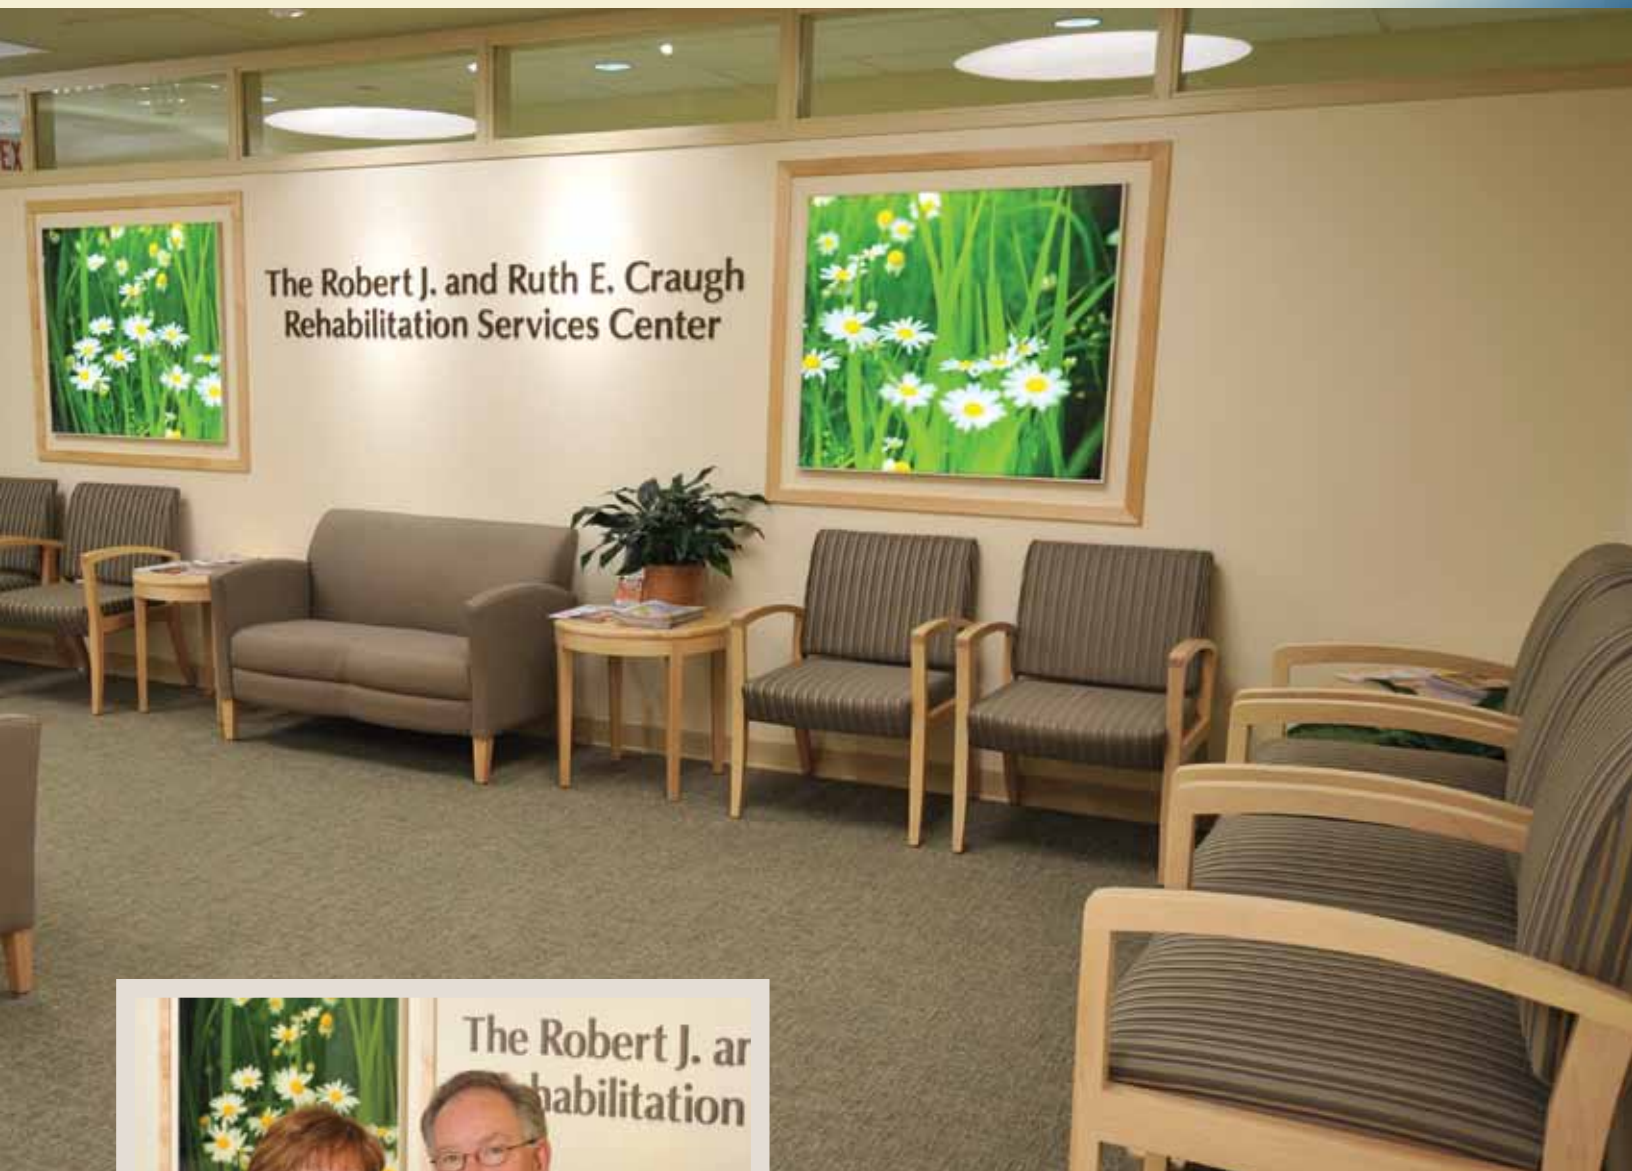

Ruth's interests were as varied as her husband's and her involvement in them was just as deep. She translated books into Braille and served as Treasurer of the Thompson Guild for many years. Ruth was actively involved with the Neighbor to Neighbor Program and the Society of St. Vincent DePaul. In 1993, she received the Antoinette Granger Award for her work with the Granger Homestead.

Bob and Ruth's list of accomplishments was long and their gifts to our community were many. Today, their legacy lives on through a generous bequest to Thompson Health – and at the new Robert J. and Ruth E. Craugh Rehabilitation Services Center.

Bob and Ruth Craugh

"We are honored to represent our dear friends, the late Robert and Ruth Craugh. Our friendship lasted for more than 30 years, during which time Bob and Ruth were actively engaged in many community organizations through both their participation and financial support. They instilled the value of giving in everyone who had the pleasure of their company and friendship.

Bob and Ruth's support of many capital projects at Thompson Health over the years was unwavering. Bob was also involved at the Board level and Ruth was active in the Guild. Throughout their years of service, they made increasing financial commitments, which culminated in their very generous gift to the *Building a Healthy Future* Capital Campaign. It is gratifying to know that their legacy of giving and community involvement will be recognized and prominently displayed."

Susan and David Morrow

The Robert J. and Ruth E. Craugh Rehabilitation Services Center

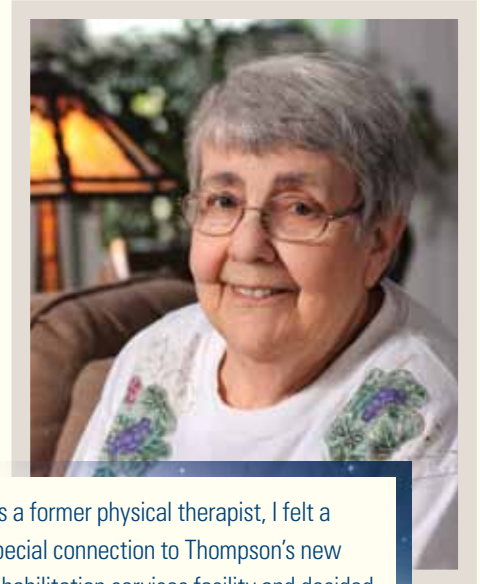

OUR NEW CENTER FOR HEALING

To meet the increasing demands of our community's aging yet active population, high-quality rehabilitation services must be readily accessible for those who need them most.

In December, Thompson Health opened the new Robert J. and Ruth E. Craugh Rehabilitation Services Center to help improve the quality of life and health of our community members.

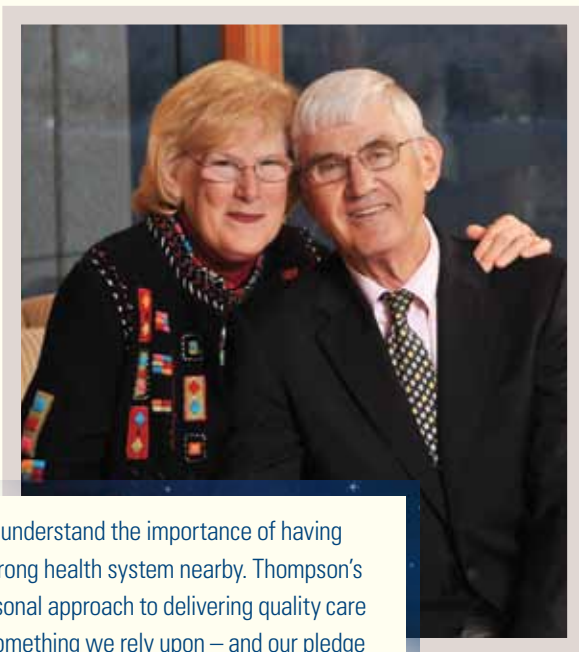

This Center was designed for the seamless integration of physical therapy, occupational therapy, speech therapy and sports medicine services. In addition to enhanced safety and confidentiality, our state-of-the-art facility offers convenience and an expanded aquatic therapy center, all in a bright, comfortable setting.

More than 850 gifts to our *Building a Healthy Future* Capital Campaign helped make this Center a reality. Thank you to our many loyal supporters who shared their treasure to benefit the health and well-being of our entire community.

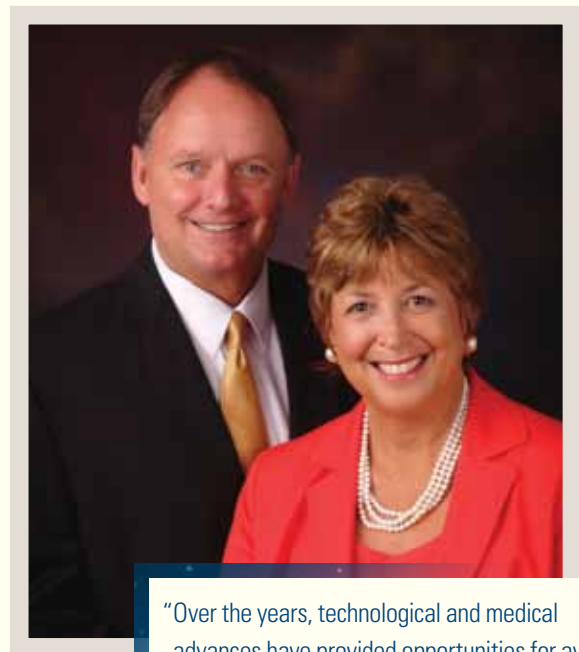

"As a former physical therapist, I felt a special connection to Thompson's new rehabilitation services facility and decided to donate toward it. I can't imagine giving to a better place that can use all contributions to the greatest advantage."

Natalie A. Ross

"We understand the importance of having a strong health system nearby. Thompson's personal approach to delivering quality care is something we rely upon – and our pledge of support helps ensure it remains a leader in providing superior care and services."

Deirdre and Bert Crofton

"Over the years, technological and medical advances have provided opportunities for average life expectancies to increase. An organization with outstanding vision, leadership and a CARES Values philosophy ensures the wellness of our community. This is why we support Thompson Health."

Randall Farnsworth, F.F. Thompson Foundation Board Member, and Margaret Farnsworth, Owners, RANDALL BUICK GMC CADILLAC

Honoring our friends who helped make the new Robert J. and Ruth E. Craugh Rehabilitation Services Center possible.

"For generations, Thompson Health has played a major role in the lives of our family members. Our children were born at Thompson, our families all received excellent care there and our mother/grandmother Skippy spent her last years at Ferris Hills. Our support of the Hawks Emergency Department and the Constellation Center for Health and Healing helps ensure world-class health care for our entire community."

Vice Chairman/Treasurer, F.F. Thompson Foundation Board*

MAKING WISHES COME TRUE

Gifts from the Guild

With more than 200 members and several active committees, the Thompson Guild has been an integral part of our health system for more than a century. Our dedicated Guild members give of their time, talent, creativity and hard work to raise funds for Thompson. Countless individuals have been touched by their many fundraising initiatives that provide generous and varied support throughout the health system. The proceeds from two 2011 fundraisers, the Build-A-Basket competition and raffle and the Thompson Guild Fashion Show, helped fund the purchase of medical equipment and furnishings requested by Associates to enhance our environment of care.

"All of us at Thompson Health are privileged to have the support of the Guild – and express our sincere thanks for its continued generosity and kindness. Each item the Guild helps fund assists us with our delivery of skilled, efficient and compassionate care."

Hazel Robertshaw, RN, BSN, PhD, Vice President, Patient Care Services/CNO, F.F. Thompson Hospital

(Top photo) Guild Board Members: (From left, standing) Taryn Dobbs Windheim, Gerry North, Susan Winslow, Secretary. (From left, sitting) Karen Lustick, President, Gail O'Brien, Mina Drake, Myrna Ortiz.

(Bottom photo) Thompson Associates: (From left) Dona B. Rickard, Senior Vice President, Senior Living Services; Terry Ovenshire, Director, Nutritional Services; Sheryl Pierce, Nurse Manager, Pines Avenue, M.M. Ewing Continuing Care Center; Gineen Magiera, Speech Pathologist, Rehabilitation Services; Kathleen Vaughn, Vice President of Nursing, Senior Living Services; Diana Ellison, Clinical Nurse Leader, 3West.

Thank You, Thompson Guild

Numerous gifts made possible by the Thompson Guild in 2011 included funds to support the purchase of our full-field digital mammography system, new portable bladder ultrasound equipment and three tabletop pulse oximeters for the Medical/Surgical units, a fiber-optic endoscope for Speech Pathology, a new stretcher and Broda® Pedal Lounge Chair for M.M. Ewing Continuing Care Center, four new wheelchairs to benefit several hospital departments, a digital camera for the Emergency Department, three Lactina® Select Breastpumps for the F.F. Thompson Birthing Center, ten conference tables and three enclosed delivery carts to implement our room service program.

Ryan and Maren Hubler

Birthday Wishes

In 2008, Ryan Hubler began donating his birthday gifts to young patients at Thompson Health. Each year, Ryan requests a “Wish List” from Thompson and mails it along with his birthday party invitation. Instead of presents, his party guests are asked to bring items that are on the Wish List. Ryan then gives each and every gift to Thompson, helping to provide young patients with a bit of entertainment during their stay.

This past year alone, Ryan and his sister Maren donated games, books, puzzles, children’s movies, newborn clothing and electronics such as a 22-inch television and DVD player to the hospital. Their compassion touches the lives of so many young patients – and we at Thompson Health hope their generous spirits will inspire others to give whatever they can to help those in need.

MAKING WISHES COME TRUE

The Sharon M. Pepper *Wish Upon a Star* Program

When Thompson Health Senior Living Services launched the *Wish Upon a Star* program in 2010, our hope was to involve the entire community in enhancing the lives of residents at our skilled-nursing facility, as well as change the perception of the elderly. Our wish came true.

Residents at our 188-bed M.M. Ewing Continuing Care Center continue to enter their wishes into “dream books,” which are kept by the nurses’ stations. On a quarterly basis, a special ceremony is held to share photos of past wishes that have been granted – then names of the next five lucky residents are drawn. During the three months that follow, the *Wish Upon a Star* committee begins the process of granting their wishes, too.

Since its inception, our *Wish Upon a Star* program has fulfilled more than 40 wishes, including a trip to New York City to see a Mets game, a hot air balloon ride, a visit from a string quartet, a lakeside anniversary dinner, an afternoon at the theater with loved ones and many more!

The program, which is truly a bright spot in the lives of our residents, was renamed the Sharon M. Pepper *Wish Upon a Star* Program in 2011 to honor her 20 years of dedication and leadership.

Our sincere appreciation goes out to the many generous individuals and businesses in our community that help make this program so successful. Their gifts of time and treasure help us create special memories for our residents and their families.

“I wish everyone could see the joy that this program brings to our residents. Although they are all anxious for their name to be drawn, they also enjoy seeing their friends and neighbors experience the thrill of each special wish.”

Sharon M. Pepper, former Senior Vice President of Senior Living Services at Thompson Health

Charity Cup Champions

In September, Thompson Health's *Wish Upon a Star* program was one of six charities selected to participate in the 4th Annual Finger Lakes Charity Cup, hosted by Finger Lakes Casino & Racetrack in Farmington. The chosen charities participated in six races – and winners were based on the cumulative results of each race. Our *Wish Upon a Star* program placed fourth, receiving a donation prize of \$4,000 out of the total Charity Cup winnings of \$30,000. "After seeing a wish granted right here at the Racetrack, we were pleased to know that Thompson's 'winnings' would be used to help many other residents' wishes come true," says Steve Martin, Senior Director of Marketing at Finger Lakes Casino & Racetrack.

(Pictured) Francie Andolino, Marketing Promotions Specialist; Steve Martin, Senior Director of Marketing at Finger Lakes Casino & Racetrack.

A Reason to Ride

This past July, residents of the M.M. Ewing Continuing Care Center were revved up as the Canandaigua Moose Riders Club roared up Parrish Street on their motorcycles to the entrance of the skilled-nursing facility. The riders were there to present a check benefiting the *Wish Upon a Star* program to Sharon Pepper, former Senior Vice President of Senior Living Services at Thompson Health. The funds, which totaled \$1,670, were raised during the inaugural Reason to Ride Dice Run, held by the Canandaigua Moose Riders.

"It really warmed our hearts to see the excitement that our visit brought. Knowing that our efforts will add a spark to residents' lives is especially rewarding," states Jesse Orbaker, President, Canandaigua Moose Riders Club.

Corporate Matching Gifts

Thompson Health values the wonderful relationships we have with companies in our community. In addition to supporting our capital projects and fundraising events, many of these businesses offer a Corporate Matching Gifts program. By matching charitable contributions made by their employees and retirees, the value of each donation is doubled or even tripled. For more information about making your gifts go further, please contact your employer's Human Resources Department for the necessary forms. Then simply send the form along with your gift to F.F. Thompson Foundation and we'll do the rest.

Thank you to the generous corporations and organizations that matched donations made by their employees and retirees in 2011:

Amica Companies Foundation
Bank of America
Constellation Brands, Inc.
DIRECTV Matching Gift Center
Greater Rochester Health Foundation
Mobil Matching Gifts Program
Mobil Retiree Matching Gifts Program

"As a Thompson Health System Board Member, and the daughter of a physician, I recognize the importance of having good medical care and a high-quality health care system close to home. When my mother and late father needed an increasing level of help with everyday living, the decision was made to relocate them from Florida to Canandaigua. Ferris Hills provided a great home where they quickly made new friends.

The Senior Living staff members always have the best interests of the residents in mind. Giving back is important to me – and giving through an employer-sponsored Matching Gifts program makes my support even stronger. Like many corporations, Constellation Brands matches my contribution – dollar for dollar. Now my charitable 'investment' has twice the impact!"

Annual Fund

Gifts made to F.F. Thompson Foundation's Annual Fund have a tremendous impact. Since they are unrestricted gifts, the funds are used when and where they are most needed. Annual Fund donations help to sustain and build Thompson's environment of care by ensuring that our health care system has the most modern facilities and leading-edge equipment for our patients, their families and our entire community.

"Our family has been part of the community served by Thompson Health for many years. All of our children and grandchildren were born at the hospital – and 'Mom' was a resident at the M.M. Ewing Continuing Care Center until her recent passing. We believe that at large health care facilities, patients can get lost in the shuffle. Every one of our experiences at Thompson has been positive. The staff is always helpful – and the care and services provided are first class. In fact, the staff members at M.M. Ewing's Meadows avenue were like part of our family. Supporting the Annual Fund each year is our way of helping to ensure that others in our community will continue to have access to the same wonderful care that our family has experienced."

Monthly Giving

Our Monthly Giving program is a convenient way to make a recurring gift – and to provide Thompson Health with the reliable support that is vital to continuing our 105+-year tradition of delivering exceptional health care to our community.

The process is easy. Simply mail us a voided check along with the amount of your monthly gift and the date you would like it to be made each month. You can specify when your monthly giving should begin and end, as well as change the donation amount or cancel at any time. Recurring gifts can also be charged to your credit card by contacting the F.F. Thompson Foundation at 585-396-6155.

“Having state-of-the-art medical facilities and highly skilled personnel close by is vital to the health of this region. We learned the importance of this when Charles underwent three years of invasive tests at other health care facilities to determine the cause of his progressive weakness. It was the team of experts at Thompson that finally – and successfully – diagnosed his condition. After having surgery, Charles enrolled in Thompson’s Cardiac Rehabilitation program, which in his own words,

‘changed my life and made me feel better than my old self.’ Thompson’s doctors and Associates always treated Charles like he was their only patient, which is not a common finding these days. Participating in the Monthly Giving program is a convenient way to give – and, to us, it feels like a partnership. We know our gifts help Thompson stay at the forefront of technology and patient care.”

Gifts-In-Kind

Also known as non-cash gifts, a gift-in-kind is a type of charitable giving where, instead of giving money, items and/or services are donated. Thompson Health welcomes in-kind donations, which can include gifts of services, supplies, select furnishings and equipment. To learn more about the many ways you can lend your support, please contact the F.F. Thompson Foundation.

"At Thompson Health, there is always a feeling of caring, whether it be an emergency situation, a doctor's office visit or a physical therapy appointment. We believe it is important to give back to Thompson through our time, talents or monetary donations – it is a truly wonderful resource in our community."

This past July, a record 180 bicyclists from five states including Arizona and Texas participated in the 9th Annual Tour de Thompson, held along the scenic routes of the Bristol Hills. The tour's proceeds of \$5,000 benefited Thompson Health's Aftercare Program, a rehabilitative service that helps individuals with chronic disease maintain their level of function and independence in the community.

Associate Capital Campaign

(From left, standing) Lori Wagner, Operations Manager, Associate Services; Charlie Blake, Groundskeeper, Facility Services; Jessie Meyers, Corporate Communications Specialist, Corporate Communications. (From left, sitting) Donna Fulmer, Director, PeriOperative Services; Stephanie Bavis, Senior Pharmacy Technician, Pharmacy; Mary Allhusen, RN, Consultant, Cardiac Rehabilitation. (Not pictured) Robert Carlson, Practice Management Director, HealthWorks; Jennifer Army, LPN, Senior Living Services; Nancy Buerman, Clinical Coordinator, Physical Therapy, Rehabilitation Services; Mary Decker, LPN, Health Unit Coordinator, Intensive Care Unit; Debra Harris, Production Leader, Nutrition Services; Tammy Ruckle, Nurse Aide, Acute Care, 3West; Marie Rusaw, RRT, Manager, Cardiopulmonary Disease Services; Nina Smith, Technical Operations Manager, Lab.

In just five weeks during the spring of 2011, nearly 400 Thompson Associates donated hours of paid time off, pledged a portion of their paycheck or gave a one-time gift to our *Building a Healthy Future* Capital Campaign.

Our gratitude and congratulations go out to our Associate Capital Campaign Co-Chairs and Committee Members. Your efforts helped us exceed our \$200,000 goal!

"We are honored by our Associates' selfless commitment to Thompson. Their generous gifts will help our health system provide the highest level of care and service to our community for generations to come."

Young Philanthropists

Community members of all ages – even the very young – support Thompson Health in a variety of ways. Abreana C. Mattice was so appreciative of the care she received while a patient at Thompson, as well as a special gift from her parents, she wanted other children to feel the same way.

“I started asking my family, friends and members of my church to donate money, new toys and gift bags for young patients at the hospital. I fill the bags myself – blue for boys, pink for girls – and hope the children will enjoy spending lots of time playing with the toys,” says Abreana. All of us at Thompson Health extend our heartfelt appreciation to young philanthropists like Abreana.

Abreana C. Mattice

Memorial and Honorary Gifts

A Memorial or Honorary contribution is ideal for recognizing a loved one who has passed away or to honor someone special. These gifts help Thompson Health to meet the increasingly complex health care needs of our community.

"As a Chaplain's volunteer at Thompson Hospital for approximately nine years, I often visited residents, including family members, at Thompson's M.M. Ewing Continuing Care Center. When my late husband John was ill, I would frequently stay overnight at the Continuing

Care Center to be near him. A staff member would bring a sleeper chair from the Gardens avenue since the Pines avenue did not have a chair of its own. After John passed away, I decided to fund the purchase of two sleeper chairs – one for each avenue – in his memory. I feel blessed to have a facility of Thompson Health's caliber nearby and I know John felt the same way. Hopefully my gifts will help make a difference in someone's quality of life."
