Low Cost.

We'll do a free cost comparison for you. Savings with us versus the competition include:

Cyclobenzaprine 10mg (90 day supply). **Save \$12.11**

Omeprazole 20mg (90 day supply). **Save \$22.51**

See back for more cost-saving examples.

Strong Physician/ Pharmacist Relationship.

We're literally located in the same building as most of your CMG physicians and nurse practitioners so we can easily collaborate to ensure you're getting the right medications for your situation.

Your Safety is Important to Us.

Because we are part of one health system, our pharmacists can easily review existing prescriptions you're taking and check for any potential drug interactions or adverse effects.

Save Time.

Sign up with an email or mobile phone number and we can email or text you as soon as your prescription is ready for pick up.

Exceptional Customer Service.

We're here to serve you and will work every day to earn your business.

**It's easy
to switch!**

When you check in at your doctor's office, let them know you'd like to switch and we'll do the rest. Not scheduled for an appointment soon, simply visit ThompsonHealth.com/Pharmacy and fill out the Transfer Request Form. Again, we'll take it from there.

Hours:
