

Birthing Center

Physicians and Nurse Midwives Who Care for Expectant Moms

The birth of a child is a happy, long-awaited event for you and your family. The Birthing Center at F.F. Thompson Hospital offers you single room maternity care with state-of-the-art equipment. Our caring and professional staff is devoted to a flexible, family-centered maternity care program which is designed to meet your individual needs. The experiences of childbirth and child-rearing will provide some of the most memorable times of your life!

Baby & You Perinatal Education

The Birthing Center at F.F. Thompson Hospital offers a wide array of classes to help prepare and educate you. You do not need to deliver your baby at Thompson Health in order to participate in our classes.

- Childbirth Preparation
- Infant CPR
- Breastfeeding Class
- Sibling Class
- Survival Skills for the New Parent
