What is the AAG Campaign?

Your opportunity to make a charitable gift to Thompson.

Choosing to donate says that you believe so strongly in Thompson that you are willing to support it above and beyond your everyday work by making a gift.

Why give?

Because **you can help fund items to improve:**

- the quality of life for patients and/or residents
- the quality of work-life for Associates (i.e.: items that will help associates perform their work more effectively and efficiently)

Because you will **see your generosity** at work every day – right here – benefitting those around you

Because **100% of your donation stays at Thompson**
