OUR MISSION

F. F. Thompson Foundation, Inc., a not-for-profit organization, is committed to achieving philanthropic support for the services and priority needs of the system's affiliated tax-exempt corporations and to overseeing the management of restricted and unrestricted funds of the Foundation.

So many good things happened at Thompson Health in 2006. We are very proud to share some highlights in this Report.

You made these good things happen—your generosity, together with that of our entire community, made countless programs, services and projects throughout the Health System possible.

Area foundations, civic organizations and individuals stepped forward to help provide state-of-the-art equipment used to deliver specialized pre-hospital care, ensure patient safety and comfort, and serve our community in times of disaster.

In addition, individuals, groups and organizations donated gifts to comfort patients and helped raise funds for special programs at Thompson Health.

We are honored to add so many new friends to our growing list of dedicated supporters.

Thank you to all of you for making 2006 a great year for Thompson Health!

Lauran and Daniel Throop with Dianne Moroz, Director of Infection Prevention/Disaster Preparedness

In 2006, Lauran Throop was faced with unexpected emergency surgery. During her recovery, she and her husband Daniel searched for ways to show their gratitude for the life-saving care she received at Thompson. Since Dan's expertise is in providing technology solutions to organizations worldwide, they decided to donate a Satellite Communication System. The 3Di Technologies Satellite and Internet Telephone System provides Thompson with telephone and internet access outside the normal external communications infrastructure. Thanks to Lauran and Daniel Throop, Thompson now has state-of-the-art communication technology to assist in protecting our community in times of disaster.

“ This gift is given to recognize the Medical Staff and Associates at Thompson for the excellent emergency care given to my wife. If they hadn't acted outside their routines, Lauran's results could have been far worse. ”

Daniel Throop

“ It is a great comfort to all of us to know that this gift to OCALS will save lives – the lives of those right here in our community. ”

Ontario County Advanced Life Support (OCALS) is in the business of saving lives every day. To continue to provide the highest level of pre-hospital care, OCALS requested state-of-the-art equipment to assist them in caring for patients requiring cardiac monitoring and life support ventilation during transport to the hospital. The Thompson Guild and the Oliver B. Merlyn Foundation responded to their emergency call by providing the funding to purchase the necessary equipment.

“ This is a wonderful gift... now all of the OCALS vehicles will be equipped with cardiac monitors and airway management devices. ”

Technology is a wonderful thing, especially when it reduces the need for painful testing and medical procedures. Now, thanks to the generosity of the Kiwanis Club of Canandaigua, newborns at Thompson no longer need to endure a painful heel stick to obtain a few drops of blood in order to detect neonatal jaundice. With Kiwanis' gift of a Minolta Jaundice Meter, a baby's bilirubin level can be checked in seconds with a hand-held meter. The process is accurate, instantaneous and non-invasive.

“ Consistent with our mission, the Kiwanis Club of Canandaigua is pleased that our donation now allows for the pain-free diagnosis and treatment of the newest members of our community! ”

“ My family and I have been strong supporters of Thompson Health. I am happy to support their investment in technology. ”

Smart Pump technology has arrived! In 2006, Thompson upgraded their IV pumps to a new generation of “Smart IV Pumps” that are designed to ensure that the right patient receives the right drug and the right dose at the right time. This equipment delivers vital medication to patients undergoing chemotherapy, pain management, surgery or extensive medical care – while substantially reducing the risk of medication errors.

We have many individuals and organizations to thank for generously supporting our most recent investment in this state-of-the-art technology: Canandaigua Grange, Crosswinds 5K (Special Event), Garlock Sealing Technologies, Girls’ Night Out (Special Event), Merrill Hose Company, Thomas Pawluk, Thompson Guild, Velmex, Inc., Farmington-Victor Kiwanis and William Rayburn.

COMMUNITY PARTNERS

“ Several women in our family are breast cancer survivors. And we are so grateful for the wonderful care they received at the Sands Cancer Center. Coordinating the Pink Pumpkin Walk is a way for us to give back. ”

Community Partners are individuals, civic organizations or area businesses that make an unsolicited contribution to Thompson. Some gifts are monetary, others are hand-made items for our patients and residents.

6 In 2006, we received the proceeds from the Rochester Home Builders’ Homearama; Tanya Curtis and Audrey Carrier’s Pink Pumpkin Walk in Honeoye; BPW’s Tickled Pink – Shopping for a Cure at Wick-edly Sent and the Country Ewe; and an Art Auction held at Finger Lakes Gallery and Frame. Employees at WCTA chose Thompson’s Pediatric Fund as the beneficiary of funds they raised. We even received contributions that were donated to Thompson through eight-year-old Abigail Wright’s birthday party!

Bloomfield Brownie Troop #251 presented Thompson Executives, Joni Tiller and Christopher Mahan with stuffed bears clad in hospital scrubs.

Participants in the Traumatic Brain Injury program at Happiness House donated hand-made “Angel Monkey” dolls in memory of former participant, Tina Gordner.

“ WCTA Federal Credit Union employees and members are pleased to support the Pediatric Fund at F.F. Thompson Hospital through its involvement in “Credit Unions Care for Kids,” a program that supports children in our community who are locally hospitalized. ”

Michael D'Antonio, Branch Manager, WCTA

Others, like the Emerald Acres 4H Club, Happiness House and Bloomfield Brownie Troop #251, donated hand-crafted items to the patients at Thompson Health. Their donations came to us in a variety of shapes and sizes. And, they were all put to good use – putting smiles on the faces of many individuals treated here at Thompson.

These are all wonderful gifts that truly make a difference by providing comfort to a patient or providing necessary equipment to Thompson. If you or your organization is interested in making a contribution to Thompson, please contact the Foundation Office. We have a list of “special needs” that you may be interested in helping to provide or fund.

John Menihan, Jr. donated one of his father's paintings for auction at a three-week-long show featuring the works of the late artist John C. Menihan. The proceeds were then donated to the F.F. Thompson Foundation.

Eight-year-old Abigail Wright chose to have her birthday party guests donate to Thompson rather than buy her gifts. At her request, the donation helped fund the purchase of a new infant swing for Pediatrics.

In preparation for the cold winter months, the Emerald Acres 4H Club visited the Sands Cancer Center with a basket full of hand-made hats for the Center's patients.

“ Our donation comes with love and caring – the same kind of love and caring that the wonderful Continuing Care Center staff is demonstrating in their care of our mother. ”

M.M. Ewing Continuing Care Center Associates, from left (sitting): Kathleen Vaughn, Director of Nursing; Sharon Pepper, Senior Vice President of Senior Living Services – (standing): Lois Howard, Nurse Practitioner; Gary Kochersberger, MD, Medical Director

The M. M. Ewing Continuing Care Center is home to over 180 residents, and each year we receive many notes from the families of residents thanking our Associates for the outstanding care they provide to loved ones. The Stiggins Family recently made a gift to purchase specialized equipment for the Continuing Care Center, further enhancing the exceptional care our Associates deliver every day. The equipment provides the accurate, non-invasive diagnosis of abnormal fluid retention that affects so many of the Center's residents.

If you are interested in making a gift to Thompson, please contact the F.F. Thompson Foundation for a current "Wish List." Our goal is to match the generosity of our community with the Health System's needs.

The whimsical sailboat sculptures that are permanently displayed on the wall near the Si and Mary Siewert Surgical Care Center are a colorful, dramatic and unique way to support Thompson. Thank you to those who have helped brighten our halls by purchasing one of the distinctive works of art by internationally acclaimed metal sculptor, Paul Knoblauch.

Jeff and Nancy Siewert

There are so many wonderful ways in which Thompson is supported by our community. Throughout the year we receive hundreds of Memorial gifts – gifts that are made in honor or in memory of a loved one. Others choose to give to our Annual Giving Fund, New Technology Campaign or through a fundraising event or a planned gift.

To help ensure that Thompson Health's future remains bright, please contact the F.F. Thompson Foundation at 396-6155. We would be pleased to discuss the various ways to make a gift, and tell you about the various projects and needs throughout the Health System. We want to make sure your gift is designated to the area that is of most interest to you.

Through the years, Mary Foster has been a devoted friend to Thompson. She has supported the Health System with her time, talent and treasure. Mary is also a member of Thompson's Guiding Star Society – a group of individuals who have included Thompson in their estate plans or arranged a Charitable Gift Annuity or Charitable Remainder Trust with Thompson Health.

“ A Charitable Gift Annuity offers several benefits. After carefully reviewing these benefits, I knew that this type of donation was right for me. ”

FOUNDATION CELEBRATIONS

Every year, the F.F. Thompson Foundation holds a celebration brunch to recognize individuals for their continued and outstanding support to Thompson Health. Two very special awards are presented. *The Community Star* is awarded to those who continue to give of themselves to support our organization and *The Star of Distinction* is awarded to individuals who have made generous and sustained contributions to Thompson Health.

A hot summer night by the lake set the stage for the Foundation's Treasure Island Summer Bash on July 14th at Steamboat Landing in Canandaigua. Over 300 guests attended this year's gala event, which was sponsored by numerous local businesses. Partiers feasted on Caribbean cuisine as *Rusted Steel* filled the air with mellow island drum tunes.

Heavy rains didn't stop golfers from playing in the 2nd Annual Margery Coughlin Pawluk Golf Tournament. The event was held at Reservoir Creek Golf Course in Naples on June 9, 2006 and raised over \$8,000 for the MCP Patient Needs Fund at the Sands Cancer Center.

Even the threat of Hurricane Ernesto's winds and rain didn't stop the nearly 350 runners from participating in the 5th Annual Crosswinds 5K on September 2, 2006.

The event proceeds of more than \$3,500 supported the purchase of a "Smart IV Pump" for the Sands Cancer Center.

More than 120 golfers bundled up to play in the 50-degree summer weather at the 9th Annual Yarger Memorial Golf Scramble on June 10, 2006 at Victor Hills Golf Course in Victor. The Scramble raised more than \$9,500 for the Cardiac Rehabilitation Department at Thompson.

We have made every effort to print an accurate list. Please contact the F.F. Thompson Foundation at (585) 396-6155 with any corrections.

This publication was paid for by the F.F. Thompson Foundation; no contributed funds were used.
