

Transitioning? Concerned about new breast lumps?

Thompson Health provides a safe place – regardless of gender expression or sexual identity – to answer concerns regarding emerging breast lumps and bumps that take place during the transitioning process. If you have questions or concerns, please consult with your Primary Care or OB/GYN provider. Physicians can then refer LGBTQ patients to Thompson's Breast Imaging Center if they feel follow-up or further testing is required.

To schedule an appointment with one of our OB/GYN providers, call:

Canandaigua (585) 393-2800

Farmington (585) 924-8686

Geneva (315) 226-8913

Victor (585) 978-8235
